Start Building Your Team

Your most important responsibility as a Team Leader is to recruit and register walkers for your team!

Contact everyone at your office, school, church, sports team, or civic association and invite them to join your team. Or just put together a team of your friends and family.

Each member of your team must register with us either at www.s-cap.org or by calling 719-578-9092 or 1-800-241-5468. The more people you recruit for your team, the more money you can raise, and the more you can contribute to help support individuals living with HIV/AIDS.

Keep in Touch: You are the communication link between S-CAP and your team. As soon as you are ready to start a team, contact S-CAP at 719-578-9092 CS or 719-924- 8925 Pueblo. We will keep you up-to-date on what's happening with the Walk—i.e. upcoming deadlines and news—and you keep your team in the loop.

Attend the Team Leader Workshop: This is a must for successful leadership. At the workshop you will meet key member of the walk and have the opportunity to learn about helpful recruitment and fundraising tips.

Be a Motivator: The Team Leader plays a crucial role in being the motivator for the team. From time to time, you will check on your team's progress. Are team members getting donations? Are they reaching or exceeding their goals? Are they getting the word out to family and friends? All of us need that extra boost now and again, and every little bit helps!

Build Team Spirit: Make your team stand out. All teams are welcome to walk with signs or banners with their team's name and/or corporate/school/religious affiliation. Teams are welcome to also wear their own matching t-shirts, hats or signs to help make their group stand out. Bring your group together and help make the event memorable for everyone who participates.

Help Team Members Sign Up & Collect Contributions: A Walk In the Garden is not a pledge walk, so your team must collect contributions from sponsors in advance. Team members can collect contributions as cash or checks made out to S-CAP or have their sponsor donate funds on line by use of a credit card. Bring all cash and checks to the registration tent on October 8th to turn in all contributions.

Day of Event: On Saturday, October 8 you will be in charge of:

- Bringing your team's banner/sign
- Ensuring that your team knows where to gather
- Making sure that all contributions are turned in
- HAVING FUN!!

What Kind of Fundraiser Are You?

Whether you are a techy geek or a social butterfly, working 9 a.m.—5 p.m. in a corporate office or still in school, we have great suggestions to help you raise the most money you possible can! You can also mix and match! Just let us know what kind of fundraiser you are, and share your tips with us too!

Computer Savvy

Blog your way to fundraising success: Keep an online journal of your fundraising progress and announce fundraisers!

YouTube: record a personal message asking for support of your fundraising efforts, keep a video diary of your AIDS Walk Experience or thank people who sponsor you by video.

Virtual Walker: If you can't physically be at the event, you can still register and collect online donations. On the day of the AIDS walk, wear a red ribbon wherever you are.

On Facebook, give thanks & get sponsors at the same time: Thank sponsors by writing on their Face Book wall, and update your status with the same message of thanks. Your updates in the Facebook News Feed will inspire others to donate!

Inspire your friends with HIV/AIDS facts: Include statistics and HIV/AIDS related news in your status update and emails.

Corporate

Email signature: Add a link to your fundraising web page in your signature. Each time you send a message, the recipient will be provided with a reminder to sponsor you.

Sell goodies to your co-workers: Pick up the most sought-after sweets and set up a snack area near the photocopy machine. Put a sign up that reads “suggested donation \$1.”

Corporate Matching Gift: As your Human Resources department if your company has a matching gift program. If not, suggest an employee match or get your boss to match the proceeds collected raised at your next fundraiser. Just ask!

Office Lunch Fundraiser: Get food donated or have co-workers bring in their favorite dishes! Charge \$5 per plate—charge more for additional side dishes!

Social Butterfly

Guest bartending: Ask your local bar if they'll allow you to be a guest bartender for a night. All the tips go toward your AIDS Walk fundraising total!

Raffle it off! Use your connections and fabulous social skills to get prizes donated for a raffle. You can ask businesses that you frequent (restaurants, spas, hair salons, etc.) to donate.

Use incentives: From a free dinner to tickets to a football game, entice people to donate by giving them a chance to win a prize they can't resist!

Dinner with Friends: Ask your local restaurant if they will donate a portion of one evening's proceeds to your AIDS Walk fundraising total. Make flyers with the information and invite everyone you know to dine there on that evening. You'll bring in more business to the restaurant and more money to your AIDS Walk fundraising total.

Benefit Concerts/Gigs: If you know a rock band, jazz group, DJ, comedian, or string quartet, ask them if they will do a benefit evening for the AIDS Walk at the local club or coffeehouse.

Still in School

Bake sale: Get students and teachers involved to showcase their best baked goods!

Penny Wars: Get classrooms to compete! Use jugs for collecting coins. The GOAL: to collect the most pennies in your jar and put as many non-pennies in everyone else's jar. Pennies give your team positive points while nickels, dimes, quarters and any dollar bills take points away from the team's total. Whichever team has the most points at the end of the contest wins!

Sports tournament: Choose any sport from basketball to dodge ball! Charge \$5 to participate or \$25 to form a team! Charge an entrance fee to watch the game for \$1. Get donated goods and sell them at your concession stand with proceeds going toward your AIDS Walk team.

Pie Smash: Ask a teacher or the student body president to agree to be smashed in the face with a pie to raise tons of money for A Walk In the Garden! Students or classrooms try to out-bid each other for the privilege of throwing the first pie!

Get parents involved: Send out a memo to all parents and include a sponsor form and AIDS Walk Fact Sheet. Parents have friends and co-workers who can be great potential donors!
